Deposit

To secure the date and venue we require a non-refundable deposit of 50% of the full booking fee as well as a refundable deposit of £100. The refundable deposit will be returned to you once payment has been made for the remainder of the booking fee and when we are happy that all aspects of the terms and conditions have been met.

Donations

As a not-for-profit organisation, if you can afford to make a donation towards our work it is welcome and gratefully received. There is no obligation – we are hugely appreciative of your involvement – and by hiring our facilities you are already helping us achieve our purpose of nurturing relationships with food, farming and wildlife through an organic community farm.

For those organisations that would like to further contribute to our work, £300 pays for one space on our Wild Steps* course but any amount is gratefully accepted.
